and Commercial Liability; I, Tamisha Holmes Bey: **TAMISHA HOLMES**, nom de guerre, ex rel,
henceforth known lawfully as
, being duly Affirmed under Consanguine Unity; pledge my National, Political, and Spiritual
Allegiance to my Aboriginal Mu'abite / Muurish Empire and Indigenous Al Aniyunwiya Muur Nation
- being the archaic Aboriginals / Indigenes of Amexem (the Americas); standing squarely affirmed upon
my Oath to the 'Five Points of Light' - Love, Truth, Peace, Freedom, and Justice; and Ancient Zodiac
Constitution of The Aboriginal & Indigenous Cherokee Moor/(Al Aniyunwiya Muur) Nation; do squarely
Affirm to tell the truth, the whole truth, and nothing but the truth; and having knowledge and firmly

United States Republic Constitution, Article I of the Bill of Rights

- Congress shall make no law respecting an establishment of religion, or prohibiting the free
exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people
peaceably to assemble, and to petition the government for a redress of grievances.

"Citizenship is a political tie; allegiance is a territorial tenure. [. . .] The doctrine is, that
allegiance cannot be due to two sovereigns; and taking an oath of allegiance to a new, is the
strongest evidence of withdrawing allegiance from a previous sovereign"

Talbot v Janson, 3 U.S. 133 (1795)

I **Tamisha Holmes Bey**, henceforth known lawfully as _____, affirm my residence, domicile, and state are within myself as I can not reside, domicile, or have an address outside of myself. As noted above I voluntarily with full understanding, knowingly pledge my National, Political, and Spiritual Allegiance to my Aboriginal Moabite /Mu'abite - Moorish/Muurish Empire (Present day Al Moroccan Empire) and Cherokee Moor/Al Aniyunwiya Muur Nation-State.

State - A people permanently occupying a fixed territory bound together by common-law, habit and custom into one body politic exercising, through the medium of an organized government, independent sovereignty and control over all persons and things within its boundaries, capable of making war and peace and of entering into international relations with other communities of the globe. **United States v. Kutsche, d.C. Cal., 56 F.Supp. 201 207, 208.**

"Just as there is freedom to speak, to associate, and to believe, so also there is freedom not to speak, associate, or believe. "The right to speak and the right to refrain from speaking are complementary components of the broader concept of individual freedom of mind." **Wooley v. Maynard, [430 U.S. 703] (1977).** Freedom of conscience dictates that no individual may be forced to espouse ideological causes with which he disagrees:

"At the heart of the **First Article of the Bill of Rights** is the notion that the individual should be free to believe as he will, and that in a free society one's benefits should be shaped by his mind and by his conscience rather than coerced by the State." **Abood v. Detroit Board of Education [431 U.S. 209] (1977)**

"Freedom from compelled association is a vital component of freedom of expression. Indeed, freedom from compelled association illustrates the significance of the liberty or personal autonomy model of the First Article of the Bill of Rights. As a general constitutional principle, it is for the individual and not for the state to choose one's associations and to define the persona which he holds out to the world." **[First Amendment Law, Barron-Dienes, West Publishing, ISBN 0-314-22677-X, pp. 266-267]**

Being competent, In Propria Persona (In My Own Proper Person), to Attest to this Affidavit upon which I place my Seal/Signature; Whereas, I State, Proclaim, and Declare the following to be true, correct, certain, complete, not misleading, supreme, and not intended to be presented for any misrepresented, 'colored' or improper use or purpose, to wit:

I, **Tamisha Holmes Bey**, henceforth known lawfully as _____, can never at any time ever be a member/citizen of the union states or the United States of America as established via the **United States Republic Constitution Article I, Section VIII, Clause XVII** which is also affirmed in the **Original 13th Article of the Bill of Rights, Section 12 of 20**, in that it states:

Section 12: The traffic in slaves with Africa is hereby forever prohibited on pain of death and the forfeiture of all the rights and property of persons engaged therein; and the descendants of Africans shall not be citizens.
